WE ARE PLEASED TO DEDICATE THE 1999 PEAK TO

DR. TERRY MULLINS

From the family that is Tazewell High School, there is no more deserving recipient of The Peak dedication than this year's honoree. Dr. Terry Mullins represents the best of what our school and community mean to us.

Among the distinguished and experienced faculty that we are privileged to have, Dr. Mullins possesses one of the most impressive of resumes. His accomplishments include contributions to school, church, community, and family. He is a product of the Tazewell community and of T.H.S. who has many times over given back to his hometown and to his alma mater. Dr. Mullins' achievements, extensive and far-reaching as they are, always emanate from a core of Tazewell hometown values and heritage.

Dr. Mullins graduated from Tazewell High School in 1973 and furthered his education at SVCC, James Madison University, Radford University, and the University of Alabama, ultimately earning his Doctorate of Education from Virginia Tech in 1996.

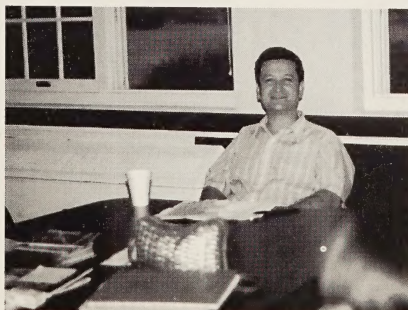

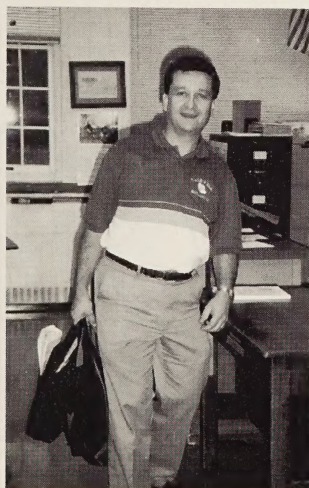

Pervading his academic instruction and classroom excellence is an obvious core of values that include respect for individual thought and belief and a deep commitment to the job of education. His concern for us as individuals comes across in a quietly dignified and courteous manner.

Beyond the classroom, Dr. Mullins has been a sponsor of Beta Club, Model U.N., Model General Assembly, the Social Studies Academic Team, and the National Honor Society. He is an avid Bulldog fan, cheering at our athletic events and supporting a variety of our school activities. It is, in fact, difficult to find an individual who supports our accomplishments at T.H.S. in more complete fashion. Yet, because he does not seek the spotlight, his achievements sometimes go unnoticed and unremarked.

The Peak Staff of 1999, representing the student body of T.H.S., wishes to acknowledge our appreciation for all that Dr. Mullins contributes to our education and our lives. Thank you, Dr. Mullins!

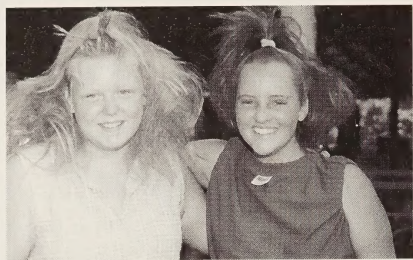

He has been a teacher in public schools in Bland and Tazewell Counties, and an adjunct professor of Bluefield College, SVCC and Wytheville Community College. Dr. Mullins joined the T.H.S. staff in 1982, and since then has earned a well-deserved reputation for classroom excellence, most notably in the subject area of U.S. Government. Dr. Mullins has received Teacher of the Year recognition from both the Tazewell Rotary Club and the Daughters of the American Revolution, along with numerous other honors and awards. He is the author of two historical volumes and a charter member of the Tazewell Historical Society, as well as an active member of his church and community.

In the classroom, however, it is not his list of credentials that impresses students; it is his knowledge, his concern for our education, and his sincere dedication to the task at hand. In the education of T.H.S. seniors, Dr. Mullins performs the important role of helping us to become informed citizens of our nation and world. Under his guidance we gain a new appreciation of our democratic system and a deeper concern for our own role in government. Civics lessons come to life as we participate in model elections and mock Supreme Court proceedings, along with numerous other projects.

(Member not pictured: Jennifer Gravelle, Robin Corell)

Sometimes it takes three people to finish a page.
(Friends always help out!)

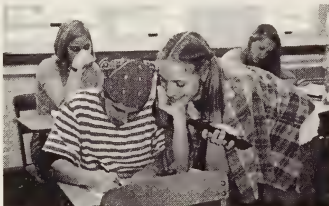

Co-editors Lauren Black and Jennifer Britton are caught lying down on the job!

Melsa organizes senior pictures with a smile.

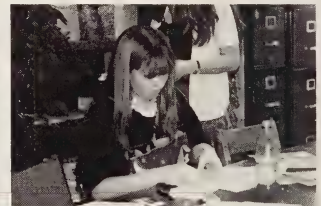

Adam uses an old annual for research.

Carla and Bekah show Halloween spirit while they design a page.

Jenny sorts pictures to make her selection.

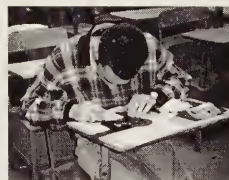

Tara sorts freshman pictures to meet the deadline.

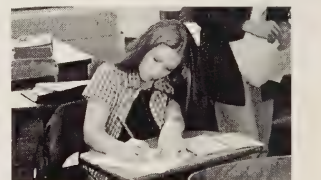

14 Megan helps Lauren spell words for her captions.

Erica and Cristin laugh at one of the many pictures.

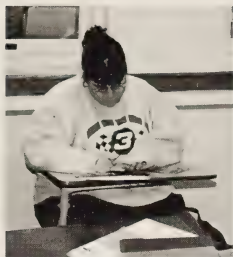

Kerry knows cropping pictures is not as easy as it sounds.

April is always applying her creativity.

Jennifer, there's no time for a nap!

Rejohnda wonders, "How did I get into this?"

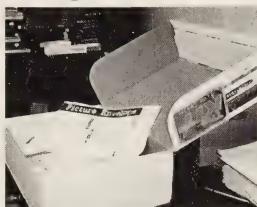

Aaron, the computer expert, is always ready to help out.

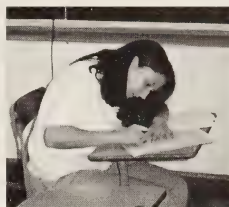

Adam hides behind his work.

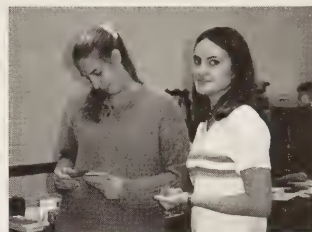

"Work if you want to, Erica; I'm gonna have fun!"

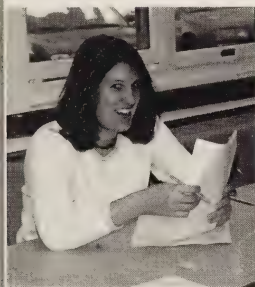

"Yes, Mrs. Mac, my page is in THE BOX!"

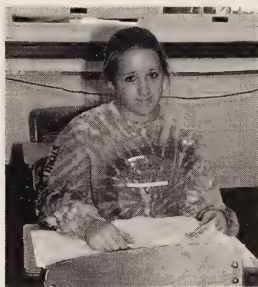

"Brain, don't fail me now!"

Megan and Melsa wonder, "Who took these pictures, anyway?"

"Don't you dare!"

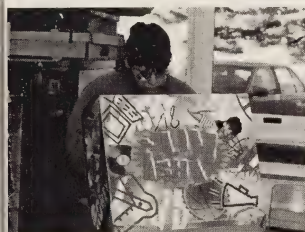

Angie stresses over senior info. sheets.

Jennifer LOVES counting money! (Should we trust her?)

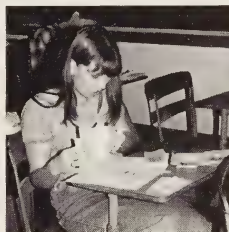

"These old yearbooks will be our entertainment for today!"

"Where is MY PAGE?"

"They're going to LOVE that shot!"

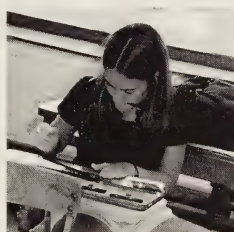

Tara tallies today's sales.

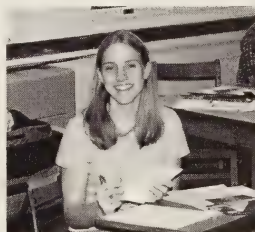

No time to talk now; we gotta work!

April tries to get permission to do a whole page about Chris!

Megan bites her pencil to keep from screaming.

Bekah's smile de-stresses us all!

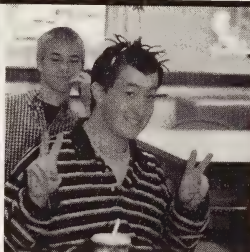

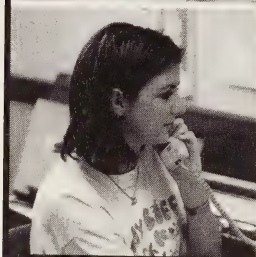

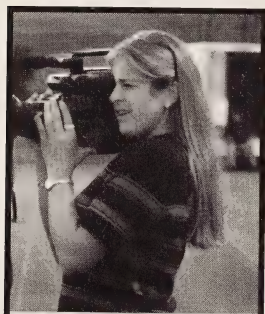

This job is more serious than you realize!

The Long LINE of Tradition at T.H.S.

THE ALMA MATER

Where mountains stand so boldly, where skies
are always bright;
Our Alma Mater lifts her head and sings her
strength and might.
We lift our eyes unto the hills that shelter
Tazewell High;
They give us strength to love and serve the
school whose fame we cry.
O Tazewell High, we love thee, our Alma Mater
dear;
For you we stand and sing our song of praise
for all to hear;
We love thee, Tazewell High School; your light
forever shines;
It shines to guide and keep me near that dear
old school of mine.

T.H.S. held a contest in 1952 for the writing of words that could be used as an Alma Mater. Phyllis Eanes Fisher, a student at the time, won the contest and her words were set to music by Mrs. Velma Hankla. For many years, choir directors at T.H.S. have made sure that the Alma Mater is shared with the student body, who come to know and love the song.

The Fight Song was first introduced to T.H.S. by Dr. Larry Zingale, band director, in the early 1950's. It is played by the band as the Bulldogs enter the field, after a score, and at any point in an athletic competition that spirits are high. The Green T's also sing the Fight Song in the halls on game days, following the more solemn Alma Mater.

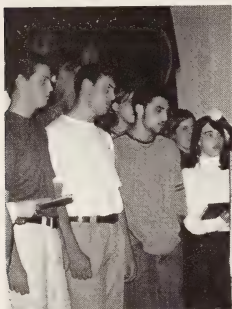

THE FIGHT SONG

It's Tazewell High School, it's Tazewell
High School,
The pride of every student here.
Come on you old grads,
Come join us young lads,
It's Tazewell High School now we cheer;
Rah! Rah!
Now is the time, boys, to make a big
noise,
No matter what the people say;
For there is none to fear; the gang's all
here,
So hail to Tazewell High School, hail!

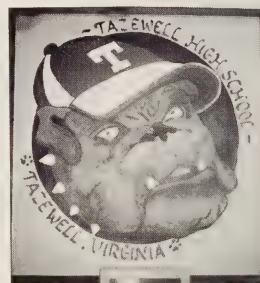

125 YEARS STRONG

Tazewell High School was established in October of 1872, and completed its first full term in the spring of 1875. The year 1998 thus marks the 125th anniversary of T.H.S. While classes have been held in four different buildings prior to our current location on Fincastle Turnpike, the symbols, spirit, and pride that characterize our school today have been an ongoing thread of tradition uniting the generations of Tazewell High alumni.

The mascot of T.H.S. is, what else, but a big, bad Bulldog! The "Dawg" cheers at games and gives our teams extra support, while entertaining the crowd with his antics. GO DAWGS!

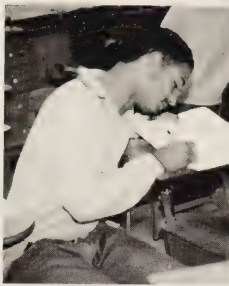

THE PEAK, for which the T.H.S. yearbook is named, rises impressively from a mountain range that can be seen from the front yard of the school. The beauty and boldness of surrounding mountains is remembered in the Alma Mater, and also celebrated in the School Seal, created in 1945. The seal's symbolism includes a candle of wisdom, a book of knowledge, a laurel wreath of honor, and the scriptural inspiration, "I will lift up mine eyes unto the hills."

As seen through our symbols and traditions, Tazewell High School has demonstrated pride since the beginning, 125 years ago. School spirit is alive and well at T.H.S. Although traditions may adapt to changing times, we expect to carry a strong sense of pride into the next millenium.

WE HAVE SPIRIT TOO

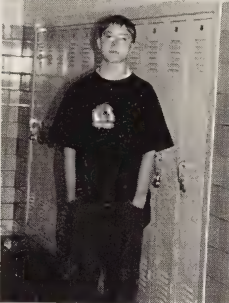

"I'm spirited when it comes to money!"

Chemistry just boosts my spirit!

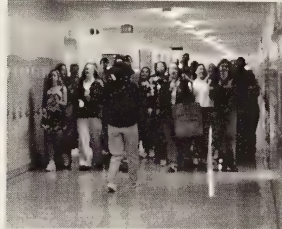

We have international spirit, too!

FRIENDS

"Let me tell you about my softball team . . ."

Often times we only see our coaches as people who tell us to hustle and do better next time. We forget that they work just as hard as we do, staying up late, counting stats, and watching videos. We do not realize that they worry about us just as much as our parents; their hearts also skip a beat when we get hurt. They celebrate our successes as only a close friend could do; and when we lose, it is our coaches who have to hold their heads the highest. Beyond the gym, the court, the field, and the locker room, coaches are everything to us that we depict on these pages. So to all the coaches at THS, your students, colleagues, administrators, and most of all, your players, salute you!

VIRGINIA STATE HONORS

The band at state competition.

Living up halftime!

The year 1998 was the first time in Tazewell High School history that our band has achieved Virginia State Honors Band status. With much hard work and determination, and under the guidance of Mr. French and Mrs. Harman, they reached this longstanding goal, attained by only seven bands in the state this year. The Bulldog Marching Band also received a superior rating in the state marching festival this year, and is confident that it will recapture the title of Virginia Honors Band in 1999.

The Power of Ideas.

It's our country's most valuable resource. A power that's fueled by learning. That's why it's important for us all to be active in our children's education, and our own. After all, education challenges us to think for ourselves. And that gives us the power to see things in a new light.

My Love

When I am close to you, and you to me,
I hear you breathe and feel the heat from your body.

When we drive down the road together, with me holding tight,
We fly recklessly into the night.

When I run my hand over your hard body,
Something burns inside me because you are such a HOTTY.

Even though you are a few years older, and different
from anything else,
I know you have the most power so I always wear my seat belt.

When I walk across the parking lot and you come into sight,
I thank God for what I've got and I know when we start cruisin'
everything will be right.

Your chrome so shiny, your paint candy apple red,
Sometimes I wonder if I should have got blue instead.

With that 350 being so loud,
Heads turn when I drive past a crowd.

I'm sorry we can't be together when the road is covered with ice,
You know how my parents are; they only let me drive
you when it's nice.

I long for the time we can be together again,
When I'm with you it's like Heaven,
For you are not only my friend,
You are my Super Sport, '67.

We Tread These Halls

We tread these halls
Hearts heavy with the weight of others' expectations
Through scowling brow look upon
These paths that leave us ever turmoiled

But in a coming decade
We shall gather in this place of gloryless imprisonment
Grown fat with the riches of the land
And troubles of our payments to the state
There we shall fondly recall
Our days as carefree babes
Through these halls of shortest enjoyment.
